Institute for Catalysis Joint Usage/Research 2018 Proposal Application Form for Strategic Research Project Date: _____			
Principal Investigator	Name		
	Affiliation (institution, department, and title)		
	Contact Details:		
	Postal code:	Address:	Phone: <span style="float: right;">Email:</span>
Project Type	Strategic Research Project	Project code (*1)	
Research Period	2018/04/01 - 2019/03/31		
Do you apply both Strategic Research Project and Proposal-Based Project?			Yes / No
Research Project Title:			

(\*1) Please include project code from the Table I.

Research Team (\*2)

Please check one of the two boxes.	Title / Name (Enter his/her grade for a graduate student.)	Affiliation (Do not abbreviate the name of affiliation. Please include name of division.)	Role / Research Task
Principal Investigator			
ICAT Partner Researcher		Institute for Catalysis, Hokkaido University	
<input type="checkbox"/> Co-Investigator <input type="checkbox"/> Collaborator			
<input type="checkbox"/> Co-Investigator <input type="checkbox"/> Collaborator			
<input type="checkbox"/> Co-Investigator <input type="checkbox"/> Collaborator			
<input type="checkbox"/> Co-Investigator <input type="checkbox"/> Collaborator			

(\*2) Graduate student must be a collaborator. Undergraduate students should not be included.

Required expenses (Necessary items to complete the research project.)

Equipment Cost (A list of equipment whose acquisition price is ¥100,000 or over and service life is one year or over)		Consumable Expenses	Travel Expenses	Total Amount
Product Name	Price			
	¥	¥	¥	¥
	¥			
	¥			

[Form 1] \*Please limit your application form for (1) and (2) within 2 printed pages in total.

(1) Purpose of the Research ( Please check this box if another proposal was adopted last year.)

- 1) Academic background 2) Academic feature/originality 3) Reasons that this project should be a joint research with ICAT
- In case another proposal was adopted last year, please include the summary of the progress and the results of the previous proposal, and novelty and possibility for the future development of this proposal.

[Form 1]

(2) Research plan and method

Please include how the roles will be divided among the principal investigator, co-investigator, and collaborating researchers. Please indicate necessary equipment, if any.

[Form 1]

Applicant's research achievements related to this research

Please enumerate the principal investigator's peer-reviewed scientific papers, invited talks or lectures and inventions within the past five years. Free format and one-page limit.
