

2017 CSE SUMMER SCHOOL

夏の学校

29(SAT) – 30(SUN) JULY, 2017

NANPORO ONSEN HEART & HEART

CSE summer school is a symposium by DC students at graduate school of chemical sciences and engineering for the purpose of collaboration and exchange of different fields.

INVITED SPEAKERS

Prof. Jochen Lauterbach (University of South Carolina, USA)

"Imaging Techniques in Heterogeneous Catalysis: from Non-Linear Reaction Dynamics to High-Throughput Screening"

The seminar by Prof. Jochen Lauterbach is approved of the "Topical Lectures in Chemical Sciences and Engineering" (for MC students) and the "Research in Chemical Sciences and Engineering II" (for DC students).

Prof. Koichiro Ishimori (Hokkaido University, Japan)

"Electron Transfer Mechanism in a Protein Complex: Structural and Functional Characterization of a Key Electron Transfer Complex between Cytochrome c and Cytochrome c Oxidase in Respiratory Chain"

PROGRAM

Invited Lectures, Oral and Poster Presentation, Recreations, Banquet

Qualified

Students who belong to:

1. Graduate school of chemical sciences and engineering
2. Institute for catalysis
3. Asian graduate schools of chemistry and material science

REGISTRATION

Registration Fee : ¥13,000

(This price includes accommodation, meals and banquet fee. CSE supports the MC and DC students as their travelling fee up to ¥8,000.)

MC students and Professors are welcome to join us.
